# RHS PTSA

Issue 1

September 2018

## Welcome Back Gators!

The RHS PTSA would like to welcome back staff, teachers, students and families. This is going to be a great year!

The PTSA supports many activities, clubs, and student programs each year. We are hoping to increase our membership and volunteer groups this year. In order to accomplish this goal, we ask that each parent consider giving at least 1-2 hours of their time & talents this year. There are many opportunities that can fit into a busy schedule. Please contact the PTSA for more details.

Please check out our PTSA Website for more information on Driver Education classes, SAT Prep, Fundraising, Got'ta Eat Nights, Budget and volunteering details.
